Working together in an international network

The EUVECA project

Jasmina Bašić

TechMed Centre – University of Twente

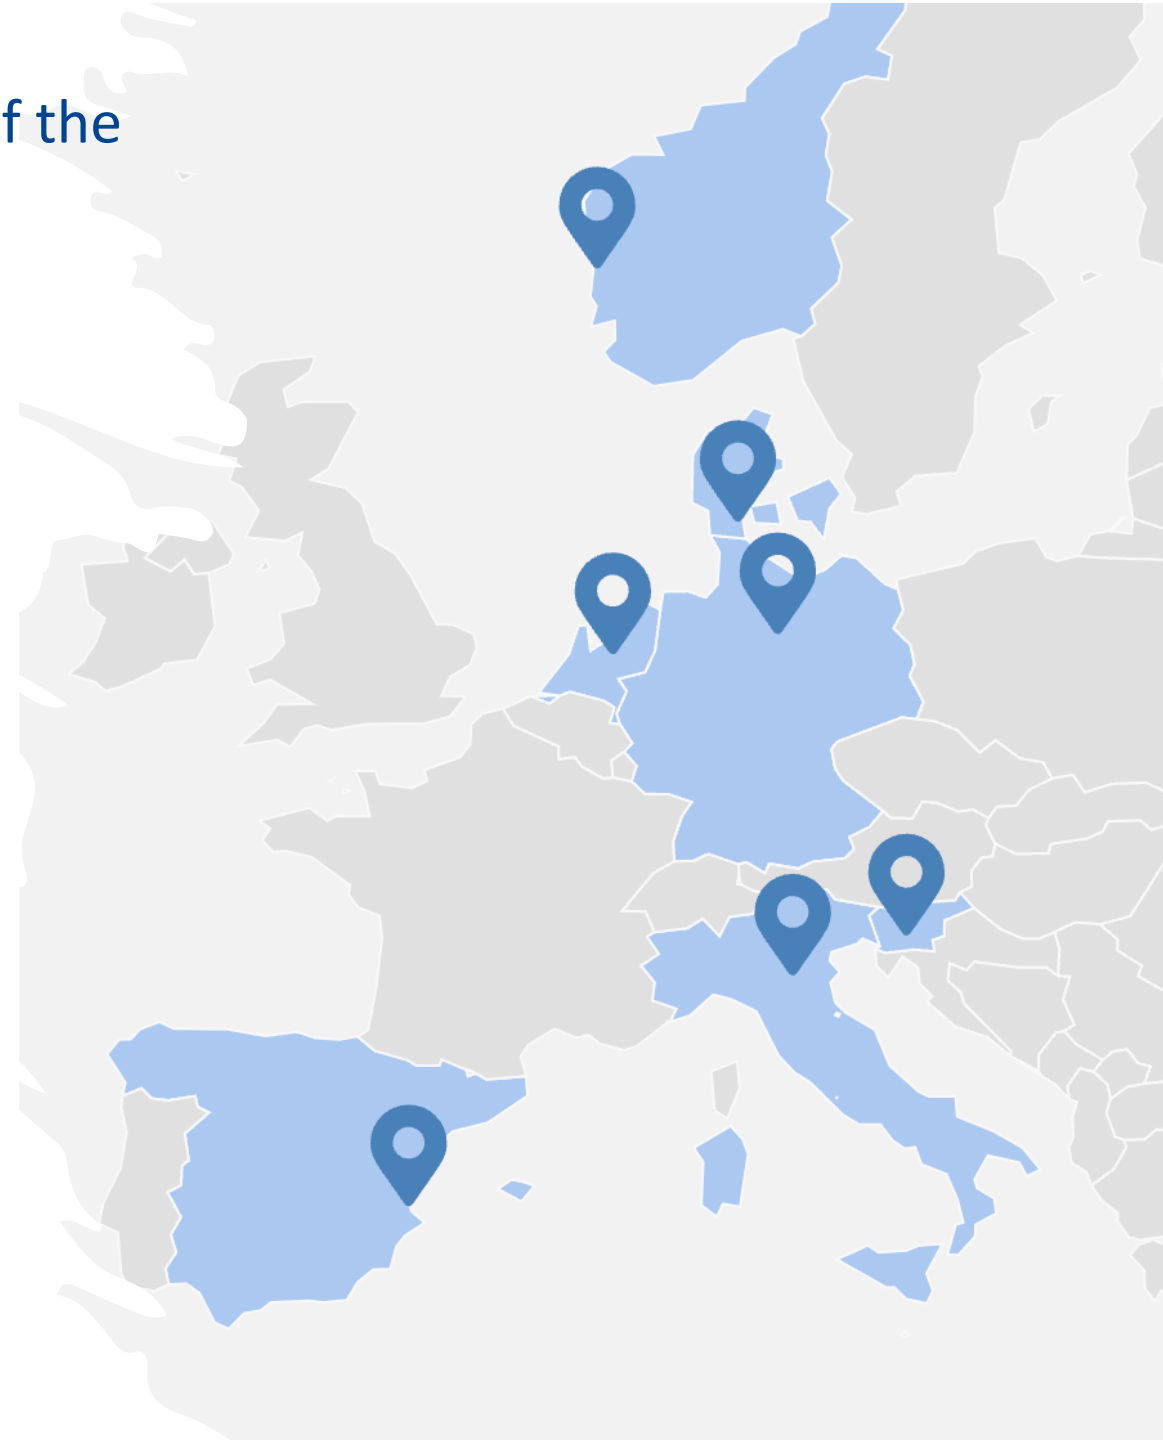

Co-funded by the Erasmus+ programme of the European Union under Grant Agreement number 101056415.

EUVECA

- European platform for Vocational Excellence in Health Care
- Designed to support the development of future - oriented skills within the health and care sector.

Ever changing world – continuous development of the future-proof healthcare professional

- Starting point: 6 mega trends
 - *(aging, digitalization, chronic diseases, climate change, personalized medicine & modern health consumer)*
- Future-proof Healthcare professional
 - *21st Century Skills (management, communication ICT, cross-disciplinair... etc)*
- Creation of Regional Vocational Excellence HUBS in 7 European regions
- European platform (blended mobility activities, innovative curricula, skills development and exchange of experienced students-professionals)

Objectives

1. Increase the **quality and appeal of vocational training (VET) and lifelong learning** within the European healthcare sector and the health care education system.
2. Ensuring **continuous and high-quality VET is available** to professionals in the health care sector, with a focus on lifelong modern skills training.
3. Fostering **long-term, sustainable collaboration** across the higher education and VET sectors within Europe.

Why international?

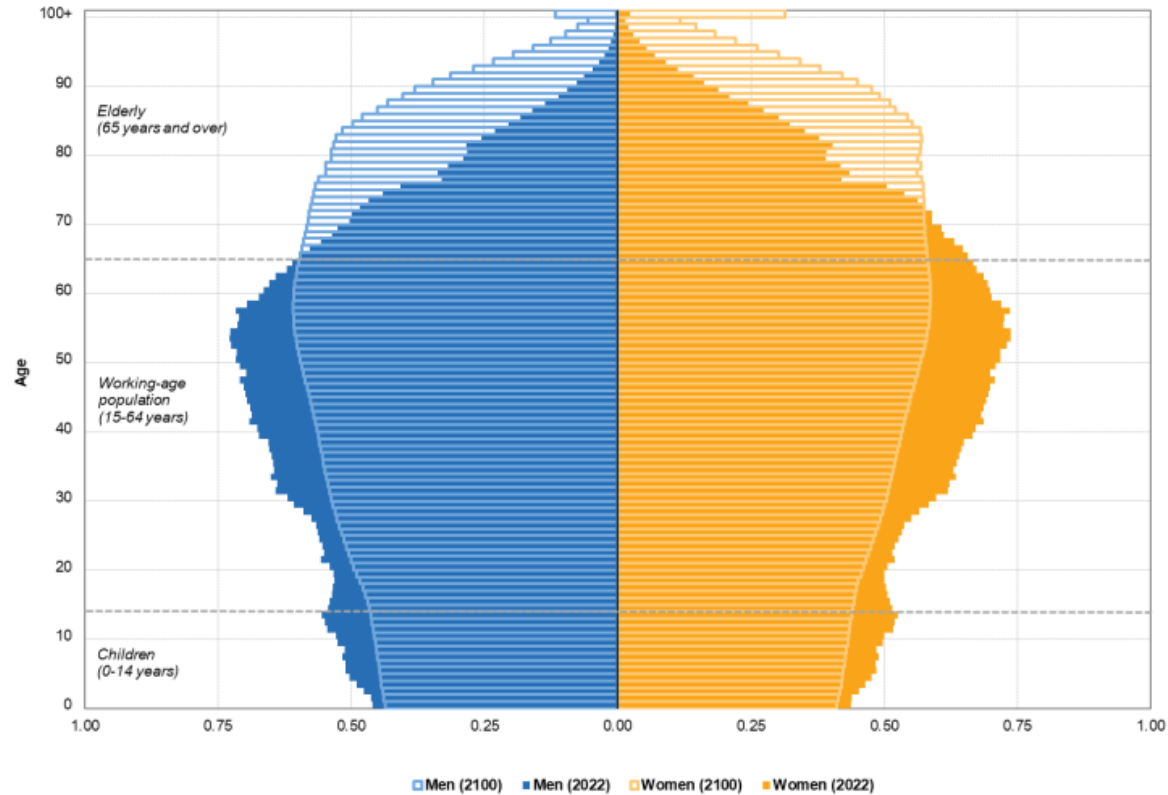

- Sharing knowledge and learning from each other

Why International?

- European countries share the same challenges, collaboration is efficient

- Hoe denken jullie over internationale samenwerking?

Een aantal stellingen...

- Hoe denken jullie over internationale samenwerking?

STELLING 1:

Working internationally will cost me too much
money/resources

- Money / Resources
- Maak gebruik van bestaande subsidies
- Erasmus+
Programma 2024 net gepubliceerd, daarin o.a. calls uitgeschreven voor het mbo, volwassenenonderwijs en ontwikkeling van microcredentials.
 - Mobiliteit studenten / docenten
 - Teacher Academy
 - Centers of Vocational Excellence
 - Beleidsexperimenten op verschillende thema's
- Hou ook Nuffic en Neth-ER in de gaten

- Hoe denken jullie over internationale samenwerking?

STELLING 2:

I do not need to work internationally to learn from others

OVER DE GRENS

Map Community of Practice Centres of Vocational Excellence

- I do not need from others
- Honderden s
- Kijk op www inspiratie.
- Maar... buiten

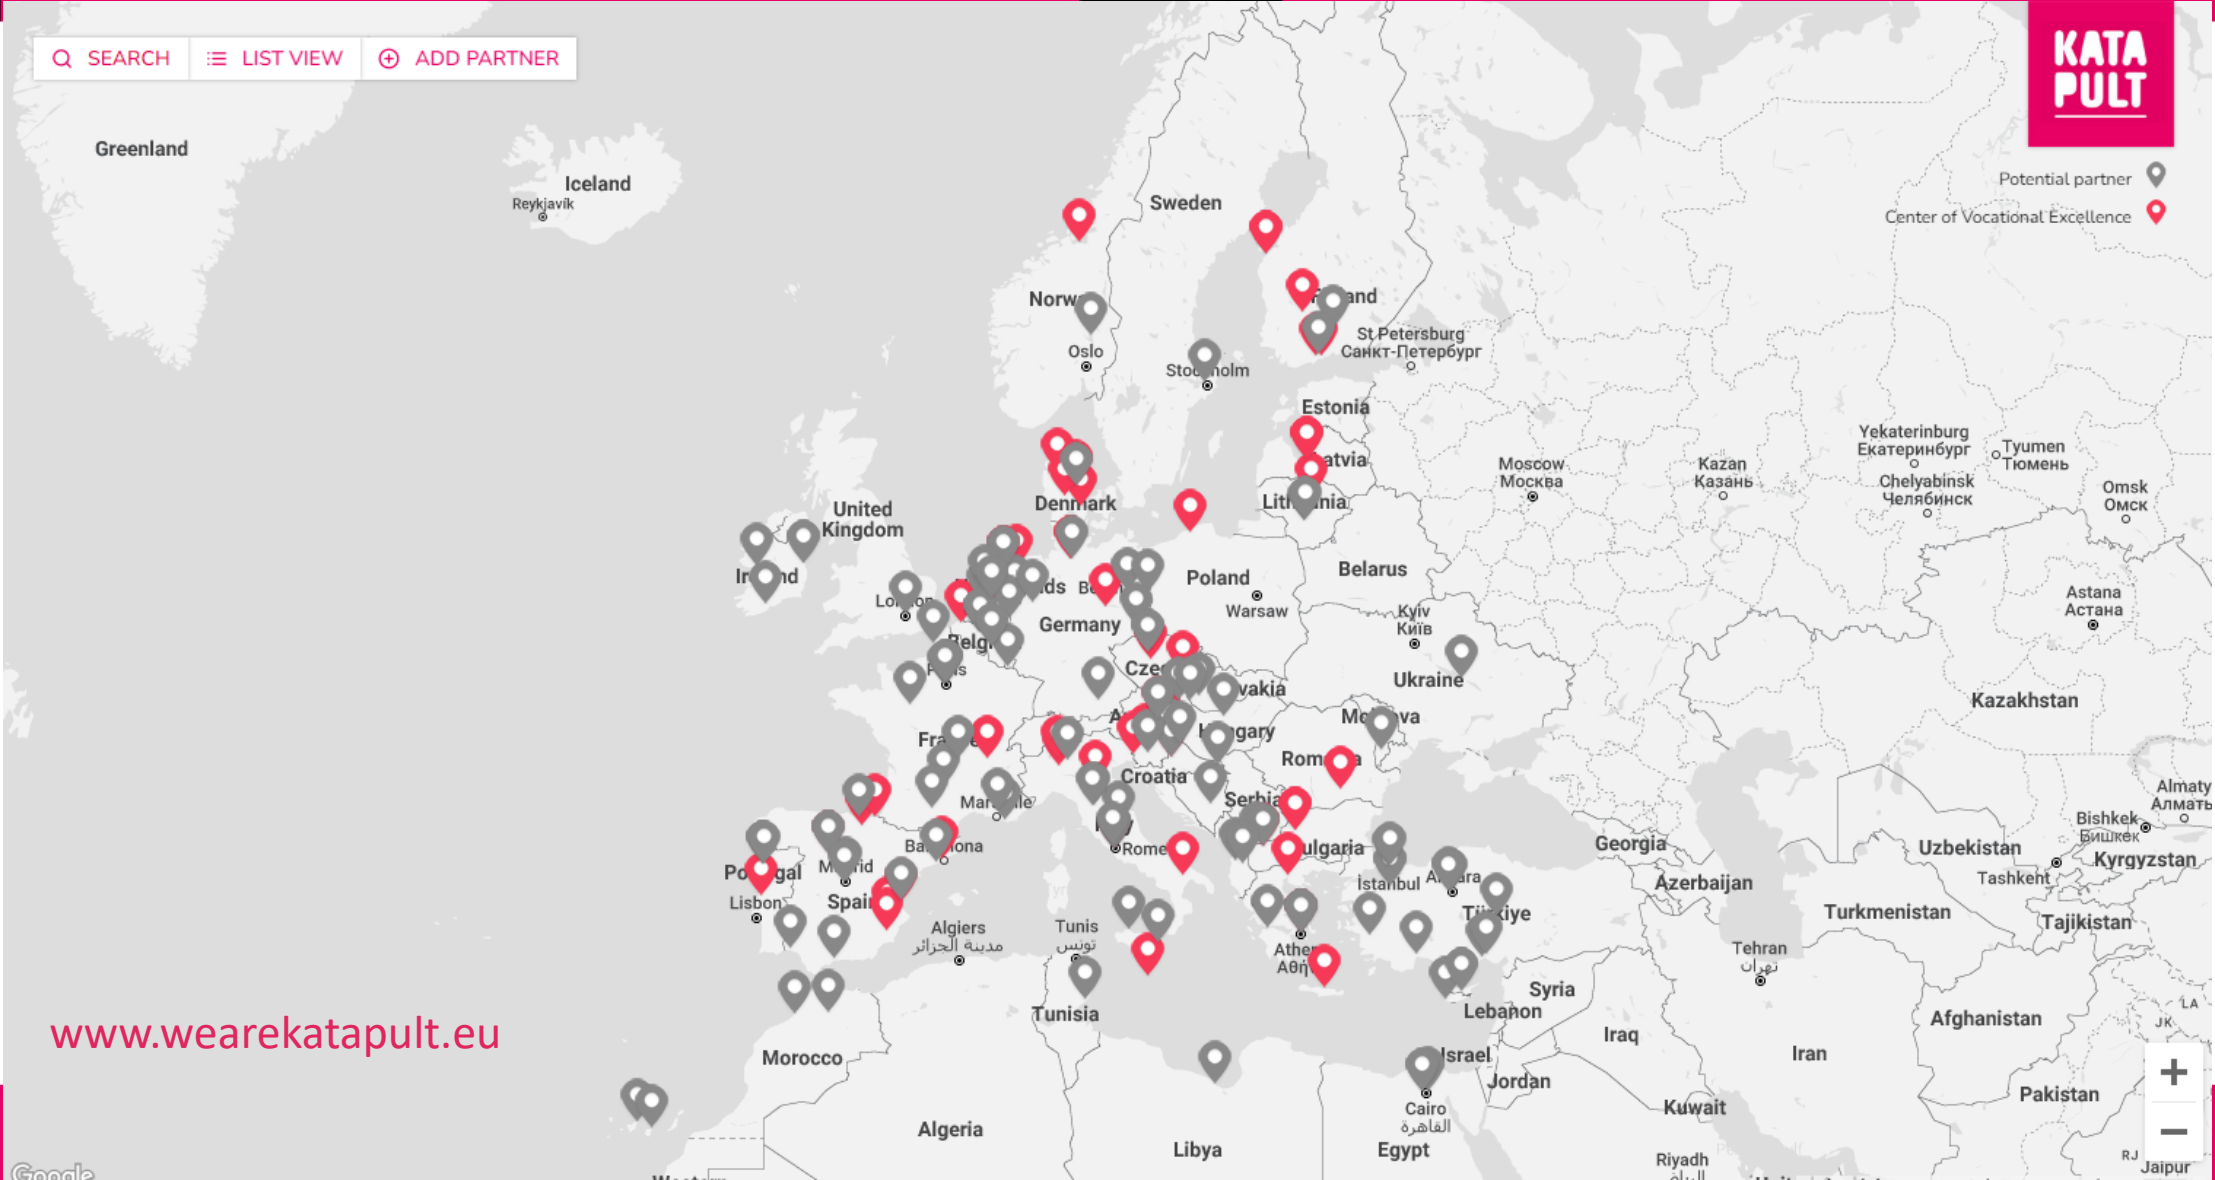

- Hoe denken jullie over internationale samenwerking?

STELLING 3:

To be able to work internationally I would have to
travel often
